Chairman's Welcome

On behalf of the organising committee, it's my pleasure to welcome you to the Perth Masters 2025. Once again, we are delighted to bring you two world-class curling events. A massive thanks to all the athletes who have travelled from around the world to compete this week and everyone who has made the Perth Masters 2025 possible.

Once again, we are delighted to have Mercure Perth Hotel as our main sponsor, together with The Scottish Deer Centre & Wildlife Park, A&B Taxis and Live Active Leisure. The support of all our sponsors is greatly appreciated, by the athletes and the organising committee - without your businesses working with us, there would be no Perth Masters.

To all the 35 teams taking part, along with your support staff, I wish you "good luck and good curling". I hope you find the Dewars ice and playing conditions to your liking. I look forward to all the teams showcasing curling at it's very best with skill, enthusiasm and curling traditions at the forefront.

To all our volunteers who give of their time so generously, thank you once again for your continued dedication. The support shown by curling fans at the Perth Masters over the many years has been phenomenal. We look forward to welcoming you back this year in person, or enjoy watching the many games live via our Webcast.

Enjoy the wonders of Perth and Perthshire for what it has to offer and I look forward to meeting friends, old and new, from 3rd to 6th January 2025.

Chairman, Perth Masters 2025

Perth Masters 2025 Rules

- 1 All games will be 8 ends throughout the competition. A minimum of 6 ends must be played in post-round-robin games.
- 2 No time clocks will be used but teams must aim for 15 minutes per end. Slow play may be penalised.
- 3 The free guard zone will apply in all games using the 5 stone rule.
- 4 No tick shot rule will apply for all games using the 5 stone rule.
- 5 First team named in the draw shall play Red stones and have first practice/LSD.
- 6 Practice consists of one stone of each rotation thrown to the home end.
- 7 LSD: any player can throw clockwise stone, must be a different player who throws counter clockwise.
- 8 If both teams' LSD is equal, the best non-equal LSD has choice of delivering first or second stone in first end. If individual LSD is the same, a coin toss will decide Hammer but the measurement will stand for total LSD.
- 9 The best 7 of the 8 LSDs will count towards total for ranking.
- 10 In the event of a drawn game, one extra end will be played. If the teams remain level after the extra end, one draw to the button by a nominated player will determine the winner.
- 11 All teams will be ranked in their sections based on WC Rule C9(b) - most wins, head-to-head result(s) if equal wins, then LSD if required.
- 12 **Men's playoff system:** Top two teams in each section qualify for Quarter-Finals. Merged rankings will rank the 4 section winners as 1 to 4 on LSD; the 4 second place teams as 5 to 8 on LSD - WC Rule C9(c). Quarter-Finals: 1 v 8, 2 v 7, 3 v 6, 4 v 5. Semi-Finals: 1 or 8 v 4 or 5, 2 or 7 v 3 or 6.
- 13 **Women's playoff system:** Top two teams in each section qualify. Merged rankings will rank the 3 section winners as 1 to 3 on LSD; the 3 second place teams as 4 to 6 on LSD - WC Rule C9(c). The two highest ranked teams advance to Semi-Finals. Quarter-Finals: 3 v 6, 4 v 5. Semi-Finals: 1 v 4 or 5, 2 v 3 or 6.

- 14 Once teams are ranked, choice of Hammer and Stone colour will follow WC rule C8(g).
 - 15 The current WCF Policies and Rules for Brush Heads and Brushing will apply.
 - 16 During the Women's round-robin, teams with a bye may use practice ice if they book with umpires.
